[1](#)B. MADRID 3447 AND PREVIOUS

MFA International Technical Organizations Area Chief Rosario Bernal informed ESTHOFF October 3 that Spain would be represented at the October 6-7 IPAPI SOM by Spanish Ambassador to the United States Carlos Westendorp and the two Spanish Embassy Counselors responsible for Health and Agricultural Affairs. Bernal did not have the names, dates of birth, and passport numbers of the Washington-based Spanish officials. She suggested that Washington contact the Spanish Embassy for this information.
